

EXTENSION CONSULTATION WORKSHEET

JEWELKS JONES

I need to know more about you and your hair to determine the correct hair for you and the look you are trying to achieve. This information will help me figure out what type of application we need to use and the length and texture of the hair we will need. All of this information is also necessary to determine the price of getting what you want.

Please answer the following questions as best you can:

Name: _____ Phone: _____

Email: _____ Date: _____

1. What is the natural texture of your hair after you wash it and let it air dry?
2. Is your hair naturally straight, wavy or frizzy?
3. Is your hair fine, medium or coarse?
4. Do you have thick hair, thin hair or stringy hair?
5. Do you color your hair?
6. When was the last time you colored your hair? Was it done professionally?
7. Do you want your hair to be longer? Thicker? More volume?
8. How long would you like your hair to be?
9. When was your last haircut?
10. What is your life style like?
11. Are you working or going to school?
12. How often do you wash your hair?
13. Would you take 10 to 30 minutes a day to style your hair?
14. Do you have any allergies or is your scalp sensitive?

Please print this worksheet, answer these questions and bring it with you to our consultation... Along with your great ideas for your new look...
